Project Classes

- **Monday:** ARTS & CRAFTS – Children will enjoy using different mediums to create collage, paintings, clay, and other art projects based on artist techniques and creative exploration.
- **Tuesday:** BUILDINGS and STRUCTURES – Using their imagination and construction skills, children will explore manipulating and building with various materials in order to create buildings and models.
- **Wednesday:** SCIENCE & NATURE- Children will explore their natural world and learn how we can use materials found in the world to do all kinds of things! We will also engage in science experiments and learn about cause and effect.
- **Thursday:** CREATIVE DRAMA & MOVEMENT- Children will explore acting out through storytelling and dramatic play. Children will do fun theatre and movement games and exercises that allow them to become more confident with peers.
- **Friday:** GAME DAY – Children will explore age-appropriate indoor and outdoor games such as checkers and bingo, various collaborative and individual puzzles, and scavenger hunts. Through this experience children will learn to work together, persist to the end of the task and feel confident in their problem solving ability....and have fun!
